“ Seems like yesterday we were all playing manhunt. We were all so close as kids and as we got older we all took different paths. Such a tragic loss at such an early age, so much life to be lived. Sending many hugs and prayers for everyone that suffers the loss of such a beautiful young mom, sister, cousin , ect. As long as you have memories and love, she will forever stay alive in your hearts. Love you guys.

“ I'll remember your beautiful face forever Angela! I'm thankful for the last talk we had when you finally called me back. I just wished it would've lasted a little longer & I could've talked more. You' finally got that monkey off your back. Tell your Dad & Aunt Loretta & Aunt Terri we say Hello. I love you Sweet Girl... You'll Always Be Forever Young
Love, Jan.,
