“ Frank, was a very gentle soul who made everyone around him feel loved. The thing I loved the most about him was the way he accepted my son Daniel and I into his life with Kelly and Junior. I remember we looked so forward to family night getting a movie at the store and sitting around the TV together; he used to wrestle with the kids and the laughter could be heard down the block. Another fun memory was going to Frank's mom's house and sitting on the front porch with his family telling childhood stories and sharing memories. I have so many fond memories of Frank but the one that sticks in my head is when Frank and my brother Ted used to goof around during the Newman's Pool parties. Another great memory was when Frank and I went camping with Eddie and Leann Sapp; While sleeping that night someone stole our cooler with all our beer and food. Frank was upset someone stole the beer and Eddie was upset that someone stole the food! LOL! Frank will be deeply missed by Daniel and I and we extend our deepest sympathy to the family.

Love Always

Charlene & Daniel
