

Howard P. Lindsey II

July 18, 1947 - January 14, 2020

Howard "H.P." Lindsey, 72, of Brownsville, KY., was released to Heaven on Tuesday, Jan. 14, 2020. He had been in the hospital since early December and passed away from heart failure at Sts. Mary and Elizabeth Hospital in Louisville surrounded by his children.

H.P. exuded a joyful spirit. He brought a smile to everyone he encountered. His love of his family, specifically his children, was evident to anyone who knew him. Gifted with an incredible story-telling ability, H.P. was known to tell tales so elaborate they stretched believability - but were always entertaining. He delighted in entertaining his friends and family with his stories.

H.P. was an avid outdoorsman. His love of God's creation started from early childhood and continued throughout his life. He could tell you what hunting season it happened to be. H.P. could tell you where the fish were biting, where they weren't, and exactly how to fry them up once you caught them. One of his favorite things was to cook up a wild animal and then trying to convince one of his children or grandchildren to be adventurous enough to eat it.

H.P. is survived by his sister, Malta, of Sebring, Fla., and his children, Amy Karrick, Christy Thomas (husband: Roger) and Howie Lindsey (wife: Stasia), all of Louisville, as well as 11 grandchildren: Connor, Molly, Ross and Natalie Karrick; Mikaela, Katherine and Laura Thomas; and Howard Joseph, Ruben, Elizabeth Jane, and Stella Lindsey. He was preceded in death by his parents, Howard and Christine Lindsey, and his siblings, Cordelia, Lovella, Eloise, and Yavetta.

H.P. will be honored at a remembrance ceremony at one of his favorite places, Barren River Lake, on Saturday, Jan. 18, at the Barren River State Park Lodge at 1149 State Park

Rd., Lucas, KY 42156. The ceremony will begin at 3 p.m. CST. All are welcome.

In lieu of flowers, H.P. would love for his friends to spend whatever they were going to spend on flowers to take their family or friends to a great dinner. Sharing great food while enjoying each other's company would make him happier than any bouquet.

“ I met ol' HP while working at the GTE Network Operations Center in Texas. He saw the duck calls hanging from my rear view mirror one day and left me a note. That note turned into a friendship that took us on many Duck, Goose, Turkey & Deer hunting adventure across Texas. Spent many an evening spitting into a campfire listening to H.P. retell stories of his many hunting and fishing adventures throughout his life. Hated to see him leave Texas, but being near family was a priority. Glad to hear they were by his side as he passed into the heavens. Prayers of peace and comfort for his family. Loved that ol' guy and look forward to catching up on all of his new adventures again one day.

“ H.P. was a dear friend to me when we lived at Bowling Green. We attended HHBC with him, and loved to hear his stories. He told a story about a deer in a panel truck that still makes me howl to think about it.

I will be praying for your family. May God's grace be very near to all of you.

“ I met H. P. When I was very young. His father Howard was our Pastor at the Clarkson Baptist Church in Clarkson Kentucky. He was a few years older than me. I was in the same grade as his sister Yavetta. Our families were pretty close until they moved to Louisville. I was able to renew my friendship with him when I attended Western beginning in 1968. I am sorry to here of his passing and my condolences go out to his family.

“ H will always be good memories in my heart . We worked over twenty years together , hunted and fished many times , took a lot of road trips to ball games , celebrated a lot of good times together . I will always remember him for relating the good old days stories . One of my oldest memories that I give him credit for is the famous Bring Your Own Pool Party that he and Judy had at their trailer at Johnson Acres Trailor Park . May God be with him and his family . “ To my Boss ,my Friend, my family from WKU Foodservice department. HP ment the world to me. He was a great mentor and big Brother to me during my time at Western. We recently reconnected right before WKU's homecoming. He told me whenever I came to WKU in the future I would always have a place to stay and he would not hear of me getting a hotel room from that day forward. I will always love him and keep him in my heart. He was with out a doubt one of the best men I will ever had the pleasure to spend part of my life with. I will miss you my FRIEND! May God bless him and his family.

“ Kermic... Haven't heard your name it years!

I worked with H.P. at Western too, back in the early and mid 80's. For years we'd be at every game and concert working together. He was the BEST boss ever!! You couldn't hope to find a nicer guy or a better boss. So sorry to hear he's passed. I really, really liked H.P.!

“ HP was one of my all time best friends! He loved to laugh, smile and hang with his friends. He loved his family more than anything. You could always elicit a smile when you asked about his grandchildren. HP was a very good fisherman, and absolutely loved to Duck hunt. He would always go out of his way to help others. I will miss him very very much! I know he is in Heaven smiling and enjoying being with those that went before him.
